 Received Signals for Power Line Communication:

PRELIMINARY AMENDMENT

Commissioner for Patents
 Washington, D.C. 20231

Sir:

Prior to the first examination on merits, please amend this application as follows:

IN THE SPECIFICATION:

Please amend the paragraph which appears at page 7, lines 13-14 of the specification to read as follows:

For the chirp data, a maximum of 390 data can be stored. This means that sample data is maintained for 100 μ s at an operating rate of 3.578947 MHz.

REMARKS

The specification has been amended to correct a minor error on page 7. No new matter is being introduced into the application by means of this amendment.

Respectfully submitted,

John E. Holmes
 Reg. No. 29,392
 Attorney for Applicants
